We have examined the records and accounts of the Town Clerk of the Town of Kingston, on February 6, 1979, and find them to be properly cast and vouched.

John J. Reinfuss and Michael Petullo, Auditors

The year 1978 shows a definite growth in the Town of Kingston, with more vehicles being registered and more dogs licensed. Vehicle receipts increased by \$10,629.50; while the dog license receipts increased by \$1,385.85. A New Hampshire State Law, effective August 30, 1977, requires all dogs to be licensed and the fees are: Males \$6.00; Females \$6.50; Neutered males and spayed females \$3.50. This license must be taken care of ONCE A YEAR, DUE MAY 1st. AFTER JUNE 1st, THERE IS A PENALTY OF \$1.00 PER MONTH. In 1978, there were 568 dogs licensed, plus 14 kennels.

In February, 1978, I was appointed Chairman of the Seacoast Region of the N.H. City and Town Clerk's Association and I have represented Kingston and the area at the various work sessions, as well as the Executive Board Meetings in Concord, and the Annual Convention held at Waterville Valley, in August.

Many thanks to the voters for passing the articles which I

submitted in 1978, enabling me to purchase much needed equipment for the office, including a copy machine, typewriter and stand, several 3 X 5 file drawers, a small rolodex which has been completed for all phone numbers; a large rolodex for auto registrations filed by months, as well as a storage file cabinet.

I am also grateful for the Town paying for the services of a Part-time Deputy Town Clerk so that in case of illness, someone is fully trained to do the many jobs required of any Clerk. In the past, I have personally paid the Deputy rather than the Town. I want to thank Mrs. Rochelle Forester for filling that position since the end of March, 1978. I also owe a huge thank you to my daughter, Holly, who helps me every day and does so many errands for me, all to better serve the public and the Town. Holly is also trained in all aspects of the work involved in my office.

Holly and I have been happy to become involved in the updating of the cemetery records, and both of us did a lot of "field work" in the cemeteries during the summer months, to help Leonard Sanborn complete a data file of each cemetery. My office now has copies of these records and the layout maps. A complete alphabetical index of the owners of the lots, as well as burials, has now been completed, and the Trustees of the Trust Funds will keep one copy, while a duplicate copy will be kept in my office. These records will be kept up to date all the time. This has been a tremendous project and I wish to express my thank to Mr. Sanborn for all his efforts.

I was successful in getting the Motor Vehicle Mobile Sub Station Van to come to Kingston for three months and it was an overwhelming success, at which time, I was able to help the citizens by getting their plates on the Van for them. Then they picked them up at my office at a later date. I received much praise from the Motor Vehicle Department; yet on 1-31-79, that same Motor Vehicle Department phoned me to say the Van was cancelled until further notice due to a lack of State Funds.

During 1978, I accepted the Voter Registrations for 200 citizens. Being able to register with the Town Clerk during my regular hours every day, is a big help not only to the Supervisors, but to the people as well.

Another first for 1978 was Town Meeting Absentee Voting, and there were 100 voters who took advantage of this new Law. This entails mailing absentee ballots after proper

applications have been made out and verified on the Check List. Upon the return of these absentee ballots, they are held until Election Day at which time an alphabetical list of these names is posed at the polls and the ballots are turned over to the Moderator who reads off the names and verifies all signatures on the absentee material.

Appreciation is extended to all Town Officers for their cooperation, and especially to Selectmen Donald H. Clark and Ralph E. Southwick who came to the rescue when the Town was in a grave situation in January, 1978. I feel the Town has suffered a big loss with Donald moving to East Kingston.

It continues to be a pleasure to serve the citizens of Kingston, to the best of my ability.

(Signed) Bettie C. Ouellette
Town Clerk

If this offer is accepted by the Town and a medical facility is built it shall bear the name Bake-Nason Medical Building.

Explanation: the new law requires a town vote to continue the practice begun in

1975.

REPORT OF THE TRUSTEES OF TRUST FUNDS 1978

Trust Funds

A summary of trust fund accounts is given in the pages accompanying this report and the detailed records of individual perpetual care funds may be seen on request, as filed with the Selectmen and the State. In addition to the perpetual care funds, it will be noted that the funds listed as "Capital Reserve Funds" include eight special endowments from which the interest goes annually to the designated purposes, also three Fire Dept. and Ambulance reserve funds in which the interest accumulates until the funds are utilized.

Beginning in 1979, the Trustees have been assigned the use of the former Planning Board Office in the basement of the Town Hall and will consolidate their records there in a fireproof file cabinet.

State law provides for only three Trustees which could be awkward in case of illness or temporary absence because checks have to be signed by two trustees and cemetery problems can arise on short notice. Therefore we are asking for a change in the law to permit towns to increase the number to five and are asking Kingston to approve the increase when it becomes legal.

Cemeteries

During the past year a plan of the Plains Cemetery has been completed which finishes a set of plans for all cemeteries. Card files contain records of burials for each lot with duplicates of plans and files available in the Town Clerk's office. In addition, an alphabetical index has been prepared showing all family names with cemetery and lot locations. For this purpose much time and effort were contributed by Betty and Holly Ouelette which was greatly appreciated.

Several articles for the Town Warrant, pertaining to cemeteries, have been submitted by the Trustees which we believe are self-explanatory.

In 1978 there have been four lots sold in Greenwood and seven in Pine Grove with perpetual care funds established for all.

Prior to 1973, many lots were sold without provision for perpetual care funds, as required after that date. We recommend that owners of such lots now consider establishing standard trust funds to assure the desired care forever. The Town, now makes an appropriation annually to provide additional care of cemeteries not covered by income from trust funds but this is not a guarantee of perpetual care.

Maintenance work was handled again last year by Arthur Pool and George Leate. All cemeteries were given a second application of fertilizer and lime last spring with good results.

The Garden Club was invited to appoint a committee to advise on future improvements of our cemeteries and Mrs. Doris Smith and Mrs. Gertrude Semple have agreed to serve in that capacity.

Respectfully submitted,

Rodney M. Wilson
David F. Dutton
Leonard F. Sanborn

1978 LIBRARY REPORT

Mrs. Rachel Perkins of Springvale, Maine visited the library in October. She is a descendant of the Nichol's family. Her daughter, Lee Perkins Collins donated a picture of "Honey Bear" to the library for our children's room.

Miss Leslie Anderson, a student at the University of New Hampshire, presented a slide lecture of her trip to Spain during National Library Week in April.

The staff of the Bakie School gave two memorial books in memory of Mrs. Annabelle Girrior, mother of Mrs. Donald Briggs.

Mrs. Carol Rich has completed two library courses at the University of New Hampshire.

The Friends of the Library conducted pajama story hours, book reading contests and holiday parties for the children.

I wish to thank those who have contributed to the library; The Kingston Garden Club, The Friends of the Library, our young library aides and all who have donated books.

It has been a busy year in the library. 26,000 books and periodicals were in circulation during the year. 4,000 children attended film programs, story hours and the summer reading program.

The library was built eighty years ago when our town had a population of one thousand people. If our library is to keep pace with our growing community, providing books, programs and services we will need to enlarge our facilities.

KINGSTON CONSERVATION COMMISSION 1978 Annual Report

The Kingston Conservation Commission has had a very busy and productive year despite being short-handed for a majority of the year.

The following committees were appointed to ease the work load.

On-site Subdivision Survey	Wiley Baldwin, Chairman
Dredge and Fill Inspections	Virginia Morse, Chairman
Gravel Pits Inspections	Alan Grimes, Chairman
Land Acquisition & Management	David Mayhew, Chairman

There was a total of three dredge and fill permits investigated during the past year.

The Commission performed a total of five on-site subdivision surveys with the Planning Board and made written recommendations to the Planning Board. In the case of some sub-divisions, the Kingston Conservation Commission attended the Planning Board meeting to emphasize the importance of the report. Several meetings were held with the Planning Board throughout the year to discuss problems that concerned both boards.

At the request of the Kingston Selectmen, the Commission has taken on the added duty of inspecting the gravel pits prior to the Selectmen issuing the owners a Gravel Pit Operating Permit. Before taking on this responsibility, a meeting was held with the gravel pit owners, the Selectmen, the Planning Board and concerned citizens. During the year, six Gravel Pit Permit inspections were made and a formal letter written to the Selectmen stating what violations the pit owner had and the Commission's recommendations.

Vice-chairman Alan Grimes attended a series of lectures given by the New Hampshire Association of Conservation Commissions.

The Commission sponsored Boy Sout Troup 93 in a project to build and distribute Wood Duck nesting boxes.

During the past year the Kingston Conservation Commission had three resignations. I would like to express my sincere thanks to those members who worked so hard this past year. A great deal of time was taken from their own private lives to perform services to the Community. I would like to commend Virginia Morse and Alan Grimes for their work on the grounds at the Grace Daley House.

The Kingston Conservation Commission meets on the first and third Wednesday of each month at 7:30 in the Grace Daley House. All meetings are open to the public. We are also in dire need of citizens to volunteer for the Commission as we are very short-handed.

Signed:
Richard T. Dever,
Chairman

1978 REPORT OF KINGSTON POLICE DEPARTMENT

The Kingston Police Department is comprised of the following twelve men who are ready to serve their community; full time elected Police Chief, Neil R. Parker, Sr.; full time appointed Officer, Lt. Norman M Bower; two elected Officers, Richard A. Samsoisette and Donald W. Briggs, Jr., and eight Special Officers, Glenn P. Miller, Robert H. Wunderlich, Richard Talhan, Robert Comei, Nicholas Sarcione, Thomas Maxwell, Robert Stevenson and John Flanders. (Officers Maxwell, Stevenson and Flanders were recently appointed in December). Also on the department are one Matron, Dorothy J. Wunderlich and one Dog Officer, Richard A. Samoisette.

During 1978 the police department responded to 14,443 police related calls, 124 automobile accidents and patrolled over 105,000 miles of highways in the community.

The 1978 year was a busy year in the classroom for many of the officers of the police department. For eight weeks, two nights a week, five officers, Donald W. Briggs, Jr., Robert H. Wunderlich, Richard Talham, Nicholas Sarcione and Robert Comei attended a program under the direction of the New Hampshire Police Standards and Training Council held in Durham. The purpose of these classes were to give the part time officer the knowledge and understanding of the laws of the State of New Hampshire enabling them to be better equipped in providing protection for their community. The three new officers will be attending this same school in the near future.

Chief Parker and Officer Talham attended an eight week Juvenile Seminar Series Course held one night a week in Nashua. This was sponsored by the New Hampshire Police Standards and Training Council. The purpose of this course was to gain a better understanding of the Juvenile Laws and thus be able to better serve the Juvenile needs of the community.

Officer Sarcione recently graduated from an intensive week-long course becoming the second certified Breatherlizer Operator on the Department. This course sponsored by the New Hampshire Police Standards and Training Council was held in Wolfboro. Included in this course was not only the

operation of the instrument but how the body reacts to alcohol in the blood system. Both operators, Lt. Bower and Officer Sarcione must be recertified every six months to retain their certification.

Respectfully submitted,
Neil R. Parker, Sr., Chief of Police

FIRE DEPARTMENT

1978 Annual Report

The Fire Department responded to 71 fires:

7 Chimney	2 Truck
5 House	1 Barn
5 Car	4 False Alarms
2 Dump	6 Structural
8 Grass	2 Wash Down
4 Stove	2 Electrical
1 Snowmobile	8 Mutual Aid
1 Gas Leak	1 Drowning

In listing the above 71 fires, it is very noticable that the amount of chimney fires has increased over last year. Again this year, I have been called to inspect many existing chimneys and new installations for safety regulations. It would be appreciated if residents wishing to install a fireplace, woodstove or chimney would obtain a permit from the Selectmen.

Tot Stickers are still available at the Central Fire Station on Sundays. These are placed on the bedroom window of children and the elderly to aid firemen. --642-5512- to report a fire or request ambulance service only. Please do not call the Fire Department for no school information.

I would like to extend my thanks and appreciation to all residents who have assisted in any way during the past year.

REPORT OF THE KINGSTON DOG OFFICER

Once again, the burden of tax dollars spent on dog control in the town of Kingston lies mainly with the repeat violators who seem to believe that state and local laws requiring all dogs be registered, restrained at all times and wear proof of registration, is only for their neighbors.

You will note there has been some improvement this year in the number of dogs registered and the amount of monies collected. Hopefully for 1979 more people will take it upon themselves to carry out the dog laws.

My thanks to those people who have complied with the dog laws and to those who have helped me so many times with donations and assistance making it possible for me to report for the third year in a row that no dogs have been destroyed in the town of Kingston.

Thank you

KINGSTON PLANNING BOARD

Annual Report — 1978

This report covers the work of the Planning Board as it was constituted prior to Town Meeting and the Board as it reorganized after Town Meeting.

The Board met regularly on the first Tuesday of each month. Additional meetings were scheduled as needed. A total of 16 meetings were held in 1978.

Elections were held in March. The Board membership was reorganized as follows:

Daniel W. Burbank,	1983 Chairman
Eileen M. Nash	1982, Secretary
William Rent	1980
Robert L. Morse	1981
James Rankin	1979
John Impey (resigned)	1981
Michael Petullo (appointed)	1981
Michael Priore	1979, Selectman ex-officio

During the year 16 subdivisions totalling 82 building lots were approved. The number of building lots approved over the last several years and the rapid growth rate in our town raised serious questions concerning how much growth our town is prepared to absorb. The Board began an investigation of the increase in population versus the ability of the town to provide the necessary services (i.e., police, fire, schools, road maintenance). The results of the study will be released in the spring. Several meetings with the Governor's Council on Growth in Southern New Hampshire and the Southern Rockingham Regional Planning District Commission indicated the necessity of undertaking work on a Master Plan of growth this coming year. The Board voted to work closely with a representative group of citizens on this project so that the plan would reflect the feeling of the townspeople on the projected patterns of growth they would prefer to see followed over the coming years.

In January and February the Board held the required public hearings on the revised Zoning and Building Code. The old

regulations had become cumbersome. A streamlined decimal annotated update of the town regulations was passed by the voters in March.

In May the Board reluctantly accepted the resignation of John Impey. He was replaced by Michael Petullo.

A public meeting was held in May at the request of many business owners in Kingston to discuss changes in the present sign ordinance. We were asked to consider a proposal to change the size of signs allowed on Route 125. Owners and operators felt that the faster speed limit on the highway necessitated a larger sign. Requests were also included to change the ordinance to allow for a small identification sign on the building itself. The Board took all these matters under advisement and voted on proposed changes for the upcoming March ballot.

Another public meeting was held in July to discuss any other changes in zoning the public might like the Board to propose to voters in March. Two zoning changes were suggested along with a proposal to control conversion of seasonal residences to year-round so that septic systems could be brought to existing standards.

In addition to the regular monthly meetings the Board held 14 workshop sessions. The majority of these meetings were devoted to updating the present subdivision regulations. The Board worked closely with the Town Engineer and Conservation Commission in developing a complete decimal annotated revision of the old regulations. Public hearings on the proposed changes will be held later this spring. Several workshops were spent discussing wetland zoning and soil type lot sizes with the soil engineers from Southern Rockingham Regional Planning District Commission. The Board is studying and considering possible changes to this type of zoning for the future. The remaining workshops were used for a study of growth-related problems and preparation for development of a Master Plan.

The term of Daniel W. Burbank expired in 1978. He was re-elected to a new term.

ANNUAL REPORT
of the
KINGSTON RECREATION COMMISSION

The Kingston Recreation Commission has opened their meeting room at the Grace Daley House to the Senior Citizens of Kingston on Wednesdays from 1:30 to 4:30 for games, cards, and crafts.

In February, Nat Keeley did not seek reappointment, and May-anna Seiler joined the Recreation Commission in November.

Eleanor Becotte was voted Liason Person between the Commission and the Kingston Community Theatre. The Kingston Community Theatre voted to join the New Hampshire Community Theatre Association and will compete in 1979. The players acted out "5 in Room Rev-U" in March, "Anything Goes" in June, and "My Three Angels" in December.

The Recreation Commission obtained Dredge & Fill permits for Greenwood Lake. The area was cleaned up, new sand was put in, and lights were installed in anticipation of summer swimming lessons. Red Cross Swimming Lessons were held at Greenwood Lake for the first time, with 145 children participating.

Lynn Merrill and Harry Carr resigned and were replaced by Peter Southwick and Frank Griffin. Both of these individuals have given many years of dedicated service to the Kingston Recreation Commission.

Peter Southwick was in charge of a tennis program. It was decided to join the National Jr. Tennis League, which sent us two free instructors for our Kingston children four days a week.

Our Summer Playground Program offered games, sports, crafts, bike hikes, track meets, and guest speakers. It was well attended with 51 children on an average participating daily, with a sign in and out method for all children.

Craft classes were offered at the Grace Daley house in the spring and fall with instructor Barbara Khalkhali.

Sports and Family Day was held in August with the help of the Summer Playground Staff, V.F.W., V.F.W. Auxiliary, Vets Club, Kingston Community Theatre, Merry Seniors, and Fire Department.

A Halloween party was held for all the children between kindergarten age and 6th Grade at the Town Hall. A dance was held at the Middle School for the 7th and 8th grades, and a dance was held at the High School for the Senior High Students.

Special commendation should be given to our Summer Playground Staff.

REPORT OF HISTORIC DISTRICT COMMISSION

The Historic District Commission meets at the Daley House the first Monday of each month unless a holiday in which case the meeting is usually the second Monday.

In addition to the regular meetings this past year there were four special meetings and one public hearing.

Nine requests for Certificate of Approval were received, seven of which were approved and two denied as presented.

We were short one member all year and if anyone is interested in serving on the Historic District Commission we would appreciate hearing from you. It is not necessary that a member of the commission live in one of the Historic districts.

KINGSTON HISTORICAL MUSEUM ANNUAL REPORT 1978

The Museum Committee was saddened by the death of Mr. J. Edward Stevens, one of the founders of the Museum and generous in loaning articles pertaining to the early history of Kingston.

The work on the Daley Barn was completed this year and now houses the carriage and wagon that took up much space in the museum. The wagon was used in the Fourth of July parade.

The grounds around the Daley Barn were graded and seeded and a nice green lawn was enjoyed by everyone.

The following gifts were received this year - A World War I uniform and books from Mrs. Leslie Gribbin of Bartlett St.; early 1800 clothing from Mrs. Harold King of Exeter Rd.; a table from Arthur Reynolds; a child's outfit from about 1900 from Alice Collins. These are all greatly appreciated.

We had an interesting exhibit of Indian relics for one Sunday only shown by Mr. Arthur Reynolds and Mr. Eugene Finch of East Kingston.

We would greatly appreciate loans from the Townspeople to give a bit of new life.

If you would like to sit in the Museum from 2 to 4 on a Sunday afternoon during the summer months, let us know about it.

1978 REPORT OF KINGSTON REPRESENTATIVES TO THE SOUTHERN ROCKINGHAM REGIONAL PLANNING DISTRICT COMMISSION

The Southern Rockingham Regional Planning District Commission (SRRPDC), of which Kingston is a long-standing member, provides planning-related services to its member municipalities. Those services can be broadly described as local technical planning assistance, regional planning assistance and coordination assistance.

Local assistance provided Kingston during 1978 was primarily for the Planning Board and Conservation Commission. The SRRPDC staff assisted the Planning Board with several subdivision proposals about which the Board had questions. Typically, the SRRPDC, at the Board's request, provided on-site soils, slope, water, depth to bedrock, etc., information so that the Board could determine potential problems associated with the subdivision application in question.

The SRRPDC's water quality program is the most significant regional planning activity to affect KINGSTON. Again, primary contact was the Planning Board and Conservation Commission. The SRRPDC worked with both bodies on means by which Kingston could better protect its water resources. The press of other town business, however, sidetracked those efforts during the second half of 1978.

Coordination assistance typically is help to a municipality with a Federal or State grant application or help in resolving a problem between Kingston and another level of government. No such assistance was provided Kingston during 1978.

Currently, the SRRPDC is working closely with the Planning Board on the initial stages of preparing a new town plan. Our hope is that 1979 will see Kingston well underway with its objective of developing an up-to-date comprehensive plan for the town.

EXETER AREA VISITING NURSE ASSOCIATION, INC.

The Exeter Area Visiting Nurse Association, Inc., is a community health service that provides health care to individuals and families in their home, in the office, or in clinics. The care may be to prevent disease, promote, maintain, or restore health or it may be to minimize the effects of illness or disability.

The Association is a non-profit agency governed by a Board of Directors. This Board is made up of people who are appointed by the selectmen in your town. The Association is often incorrectly thought to be a department of another health provider such as a hospital, but is in fact a separate and distinct organization.

Funding for the Association comes from Medicare, Medicaid, patient fees, local taxes, and donations. Town appropriations make the service available to the town, they do not buy units of service for individuals.

The services provided are as follows:

Home Health Care. Home visits are made on referral from physicians, patients, families, or other agencies. The nurse does treatments, dressings, irrigations, injections, and gives instructions for care. She teaches nutrition, special diets, and accident prevention as well as other aspects of health care. The Physical Therapist establishes and carries out a program to rehabilitate the patient. The Health Aide provides care under the supervision of the Registered Nurse and/or the Physical Therapist.

Maternal and Child Health Program. Visits are made to new or expectant mothers to provide information and instruction in the care of themselves and their babies. Well Child Clinics are held twice a month and provide the following services: Physical exams by a local pediatrician, immunizations, hearing and vision screening, lead and urine testing, special counseling, family planning and referral when appropriate. The clinics are for infants and preschool children.

Adult Screening Program. Clinics are held twice a month for blood pressure and weight checks, diet and medication counseling and referrals. Flu vaccine clinics are held yearly.

Mental Health Program. Visits to patients with mental and/or emotional problems. Coordination of care between patient, family, psychiatrist and community.

Communicable Disease Program. Visits to patients who have or have had or are contacts of persons with Tuberculosis for testing and/or medication and general health supervision. Instruction and/or referral for other communicable diseases.

Hospital Referral Program. An Agency nurse is in a local hospital five mornings a week to assist in planning, coordinating, and arranging for care at home so that a patient may move from hospital to home without any interruption in care. 8,748 units of service were provided to residents of the service area between January 1, 1978 and October 31, 1978.

Information may be obtained by calling the Exeter Area Visiting Nurse office, Monday through Friday, 8:00 a.m. to 4:00 p.m., 772-2981, or write to 17 Prospect Avenue, Exeter, N. H. 03833

Representative to the Board of Directors from Kingston is Mrs. Phyllis Streeter.
